**\*\*If the plan has "group" listed in the name/description it will fall under the Commercial Network (in network) for those in red to the left.**

**\*\*ALL Presbyterian ENGAGE plans are out of network. Including those with 'group' listed in description.**

**\*\* Be Well New Mexico.** We came across an individual plan classified as commercial that we were contracted with. Refer to plan list or PHS website.

**\*\*Presbyterian Senior and Presbyterian Medicare are both out of network with CSV. Patients that have a PPO with be covered but at a higher out of pocket to the patient. Patients with HMO only will be considered self-pay.**

**\*\*The Presbyterian New Mexico Retiree Plans – we do accept. However, for 2023 they have an HMO/POS plan. We can only see these patients with their out-of-network benefits (auth required).**

**\*\*CSV is contracted with Presbyterian Centennial, Presbyterian Dual Plan and Presbyterian Health Plans (thru employer group plan)**
